

**TRADE MORE
WITH ZERO LIMITS**

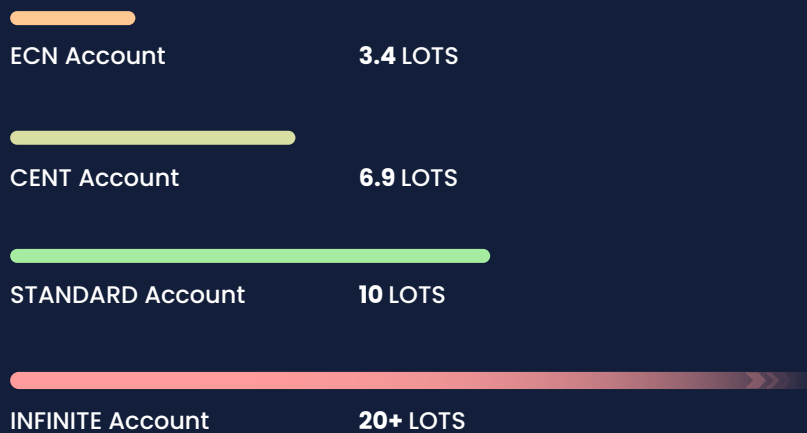

WHAT IS AN INFINITE LEVERAGE ACCOUNT?

Infinite leverage takes you to the next level by allowing you to borrow a limitless amount of trading capital from AximTrade. This is your chance to open bigger trade positions and strategise for maximum opportunities of profitability. With over 30 Forex and Metal trading instruments and counting, we aim to reach your full trading potential.

COMPARISON OF MAX LOTS WITH DIFFERENT ACCOUNTS

The below scenario shows an example using \$400 as the deposit amount, to determine the number of lots that can be achieved for different account types.

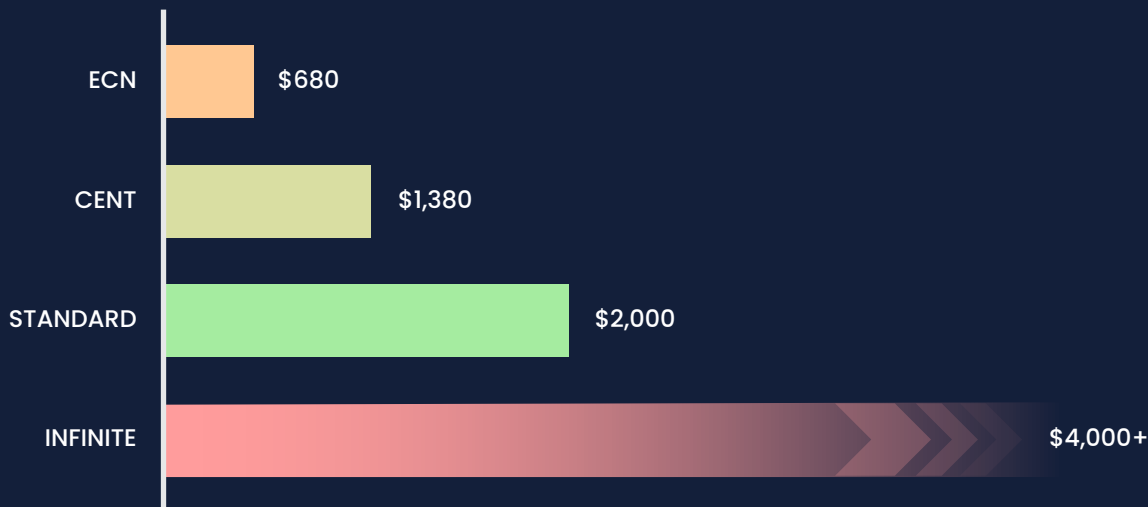

DEPOSIT: \$400

POSSIBLE PROFITS (LOSS)

Chart shows potential profit (loss) in case of 20 pips (200 points) price movements on different account types with deposit \$400.

PRICE MOVEMENT: 20 PIPS (200 POINTS), DEPOSIT: \$400

** All the calculations are based on EURUSD at the price 1.16242.*

Step 3

- When the required minimum of 5 Standard Lots is met, you can open the INFINITE Account.

The screenshot shows the 'Open New Account' page with a sidebar on the left and a main content area. The sidebar includes options like 'My Accounts', 'Deposit Bonus Offers', 'Deposit', 'Withdrawal', 'Bind Bank Account', 'Transaction History', 'Inbox', 'Partnership', 'CopyTrade', and 'Settings'. The main content area has tabs for 'All', 'Real', 'Demo', and 'MT4'. Below the tabs are four account options:

Account Type	Minimum Deposit	Leverage up to	Commission
CENT	USD 1	1:2000	0.0
STANDARD	USD 1	1:3000	0.0
ECN	USD 100	1:500	4.0
INFINITE	USD 1	1:∞	0.0

The 'INFINITE' account option is highlighted with a blue border and a blue 'OPEN' button.

- Clients are able to check their current leverage of their accounts in the MT4 trading platform or in their Member Area.

The screenshot shows the account status bar with the following information:

- Account Type: **Real** INFINITE / InfLev
- Balance: **468.17** USD
- Equity: **468.17** USD
- Leverage: **1:∞**
- MT4 Login: **2133041024**
- Buttons: **MANAGE** (dropdown) and **DEPOSIT**
- Footer: **AximTrade2 - Live** (mt4.aximtrade.com or 34.87.110.239)

Leverage on the infinite type of account is unlimited on the Equity below \$500. The real applied leverage in the MT4 platform is 1 : 2147483647. On Equity above \$500 leverage is applied automatically according to the following table:

EQUITY		LEVERAGE	NEWS, ROLLOVER (00:00:00 SERVER TIME), WEEKEND, HOLIDAYS
FROM	TILL		
1	500	INFINITE	1000
501	2000	2000	1000
2001	6000	1000	500
6001	20000	500	500
20001	100000	200	200
100001	ABOVE	100	100

The margin requirement for the new trades opened during the following periods of time is calculated with maximum leverage as in the table above:

- a. 15 minutes before and 15 minutes after the publication of a strong news release;
- b. 30 minutes before rollover and 1 hour 30 minutes after rollover;
- c. 3 hours before and 2 hours after the weekend or Holidays.

At AximTrade discretion leverage can be changed not only for the newly opened orders during the mentioned period of time, but for the previously opened trades as well.

GENERAL TERMS AND CONDITIONS

1. Infinite type of account - is a special conditional type of a trading account, with almost 0 margin requirements on trading instruments in case the Equity of the account is below a certain level.

2. A client can open an Infinite account only if two of the following conditions are met:

- a. Member area is fully verified;
- b. A client has traded at least 5 standard lots (across all real accounts) of Forex trading instruments or Metals trading instruments.

3. Leverage on the infinite type of account is unlimited on the Equity below \$500. The real applied leverage in the MT4 platform is 1 : 2147483647. On Equity above \$500 leverage is applied automatically according to the following table:

EQUITY		LEVERAGE	NEWS, ROLLOVER (00:00:00 SERVER TIME), WEEKEND, HOLIDAYS
FROM	TILL		
1	500	INFINITE	1000
501	2000	2000	1000
2001	6000	1000	500
6001	20000	500	500
20001	100000	200	200
100001	ABOVE	100	100

4. The margin requirement for the new trades opened during the following periods of time is calculated with maximum leverage as in the table above:

- a. 15 minutes before and 15 minutes after the publication of a strong news release;
- b. 30 minutes before rollover and 1 hour 30 minutes after rollover;
- c. 3 hours before and 2 hours after the weekend or Holidays.

At AximTrade discretion leverage can be changed not only for the newly opened orders during the mentioned period of time, but for the previously opened trades as well.

5. Infinite account supports 30 Forex trading instruments (AUDCAD.inf, AUDCHF.inf, AUDJPY.inf, AUDNZD.inf, AUDUSD.inf, CADCHF.inf, CADJPY.inf, CHFJPY.inf, EURAUD.inf, EURCAD.inf, EURCHF.inf, EURGBP.inf, EURJPY.inf, EURNZD.inf, EURUSD.inf, GBPAUD.inf, GBPCAD.inf, GBPCHE.inf, GBPJPY.inf, GBPUSD.inf) and 2 Metals (XAUUSD.inf, XAGUSD.inf).

6. Infinite accounts can't participate in any bonus promotions and can't be used as a Money Manager account in the CopyTrading.

7. Swaps and commissions are not charged on the Infinite accounts. The level of Margin Call / Stopout is: 60% / 0%.

8. Client can always check his current leverage of the account in MT4 trading platform or in the Member Area.

9. Rebates from the Infinite account are paid with 0.5 coefficient from the rebates on a Standard account. All the levels remain the same, however, 0.5 coefficient is applied. e.g. The Standard account rebate for Direct IB is \$8 per 1 lot, on the Infinite account, the IB will get \$4 for 1 lot traded by his client. Rebates are paid only on the trades with duration above 180 seconds.

10. A client cannot convert Infinite account into another type of account. Clients can open only one Infinite account.

11. Any possible form of hedging between different clients utilizing Infinite accounts, directly or indirectly associated with each other - may result in cancellation of the trading results or even temporary blocking both clients and stays solely at the discretion of AximTrade.

12. For all other trading limitations or risk conditions not described above please refer to the general Terms and Conditions of a Client Agreement: <https://www.aximtrade.com/term-conditions>
