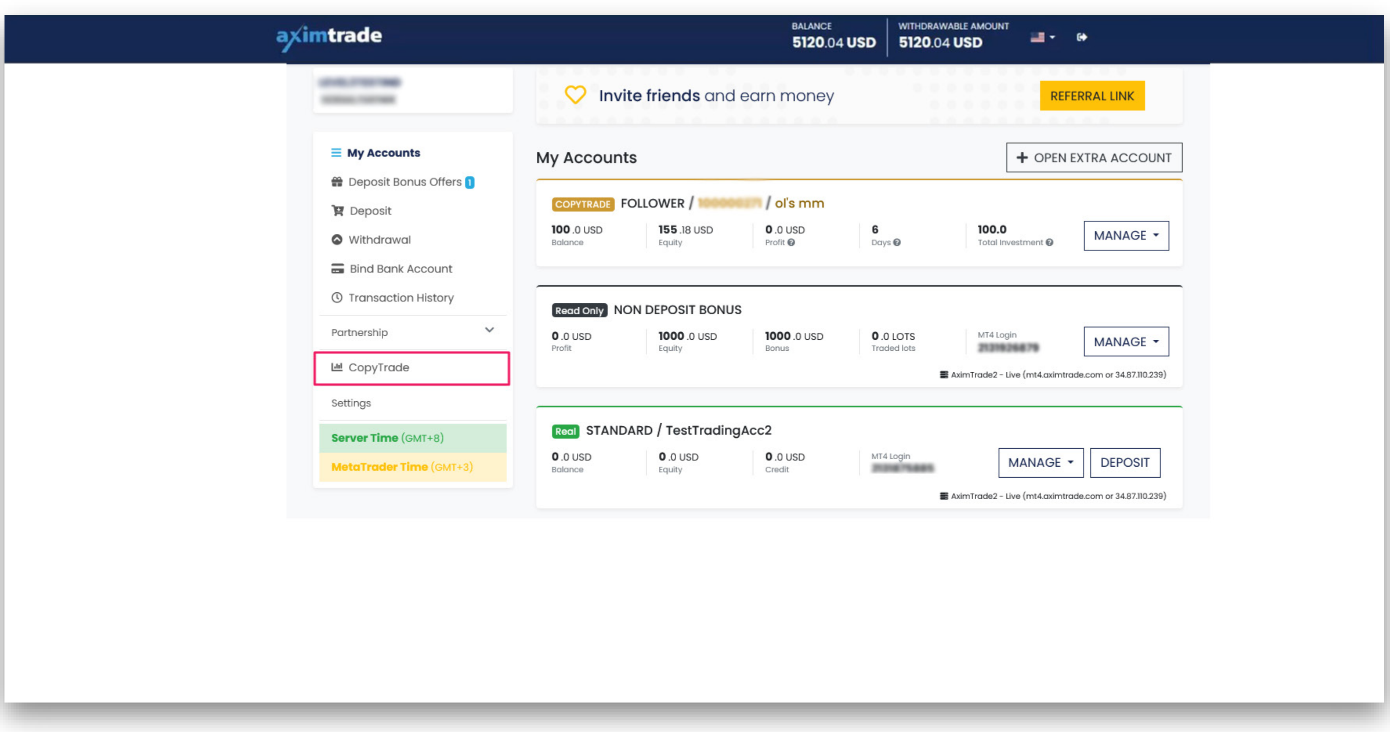
HOW TO BECOME MONEY MANAGER?

Step 1

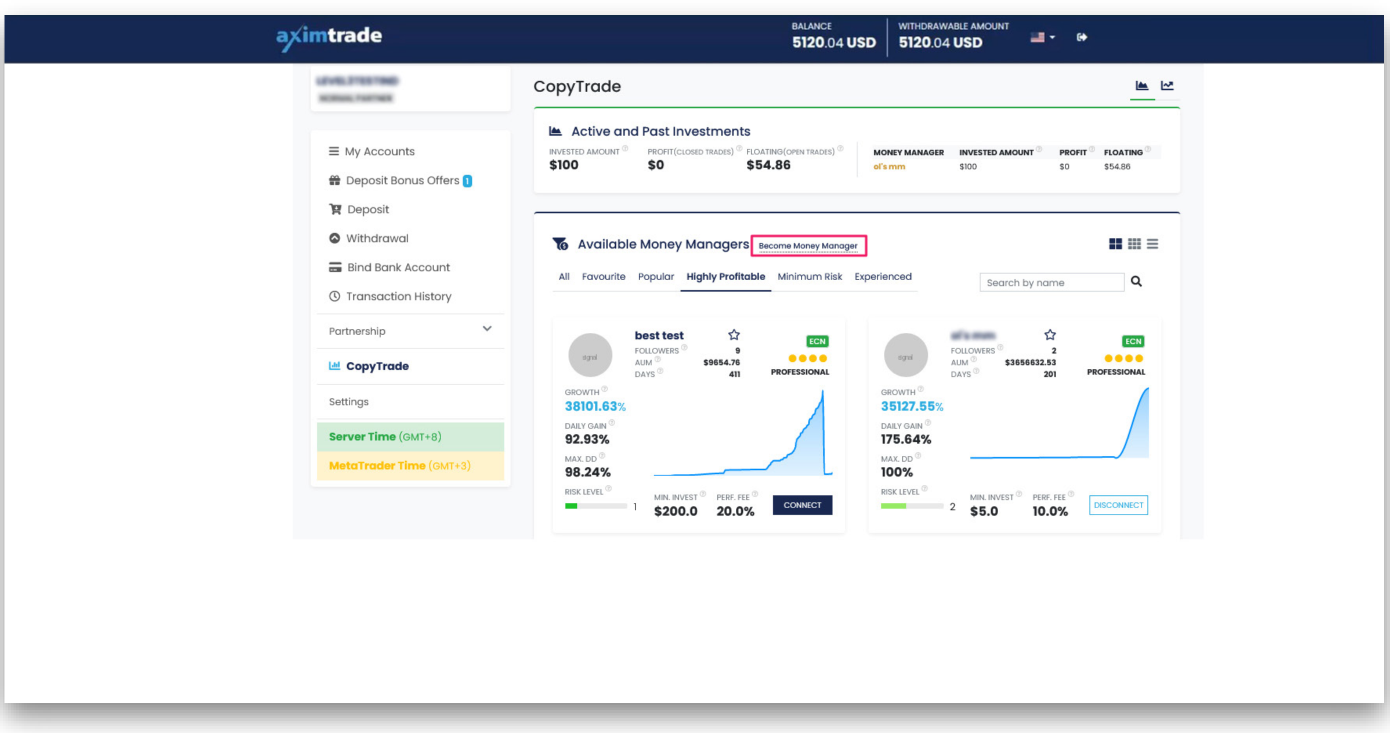
Kindly login to your Member Area and click “CopyTrade” tab.



Step 2

On the Money Manager list, click this “Become Money Manager” button.
This is the option to become a Money Manager and transmit automated trading signals to followers.

Note - any client can become a Money Manager. There is no requirement for minimal balance or experience from the Company. However, every new Money Manager has to display 30 days of trading history on his accounts and his request needs to be verified by the appropriate Company department (risk team). The procedure can take up to 48 hours.

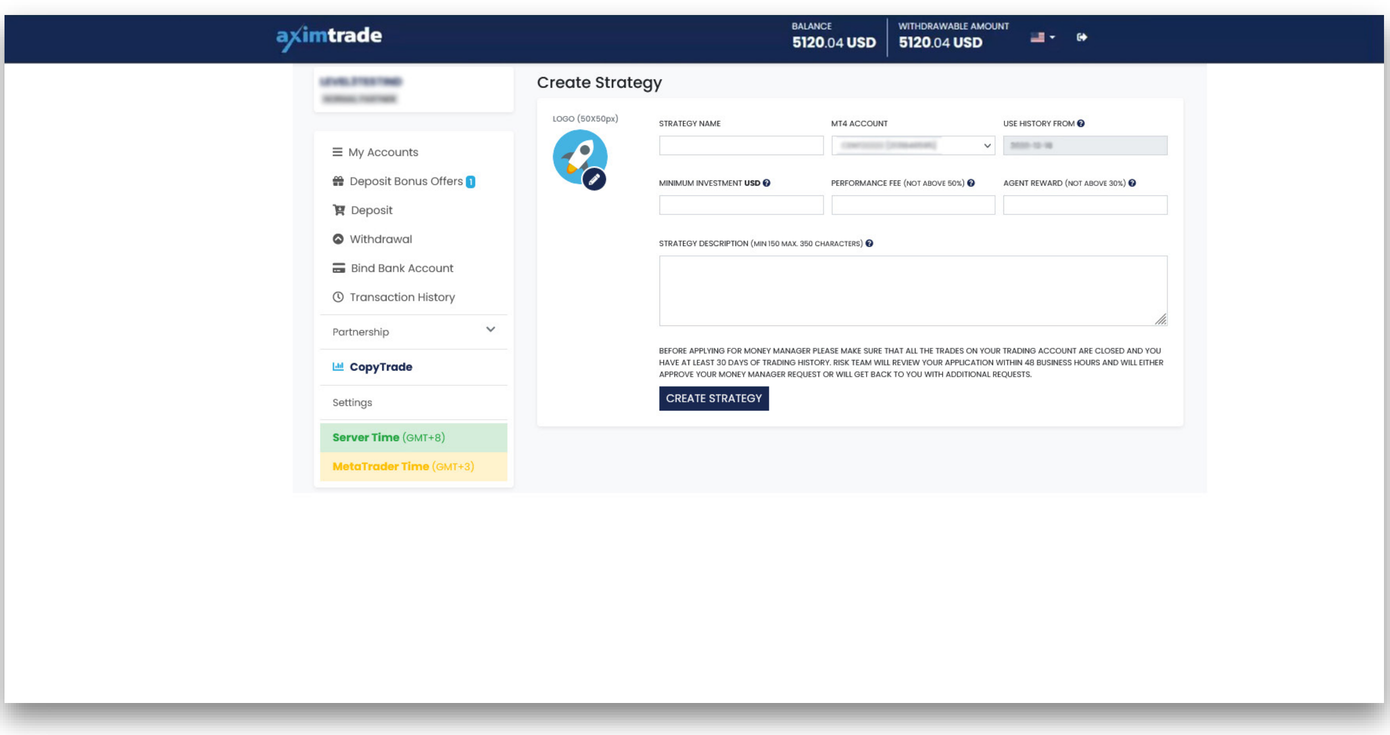


Step 3

You will be redirected to a page where you will create and set up the strategy as a Money Manager.
This is where you will customize all the parameters (Strategy Name, MT4 Account, Use history from, Minimum Investments, Performance Fee, Agent Reward and Strategy description) for your future followers and describe your strategy.

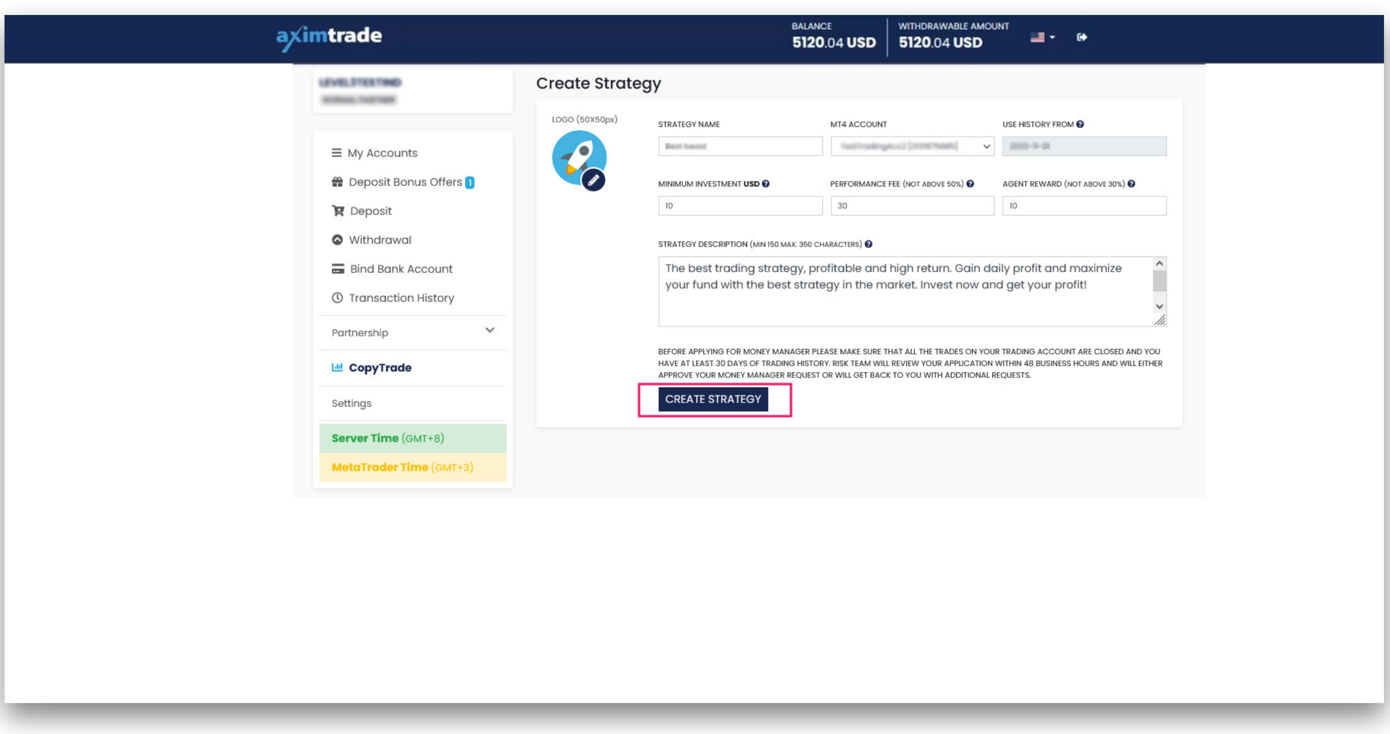
Note - before applying for money manager, please make sure that all the trades on your trading account are closed and you have at least 30 days of trading history.

Risk team will review your application within 48 business hours and will either approve your money manager request or will get back to you with additional requests.



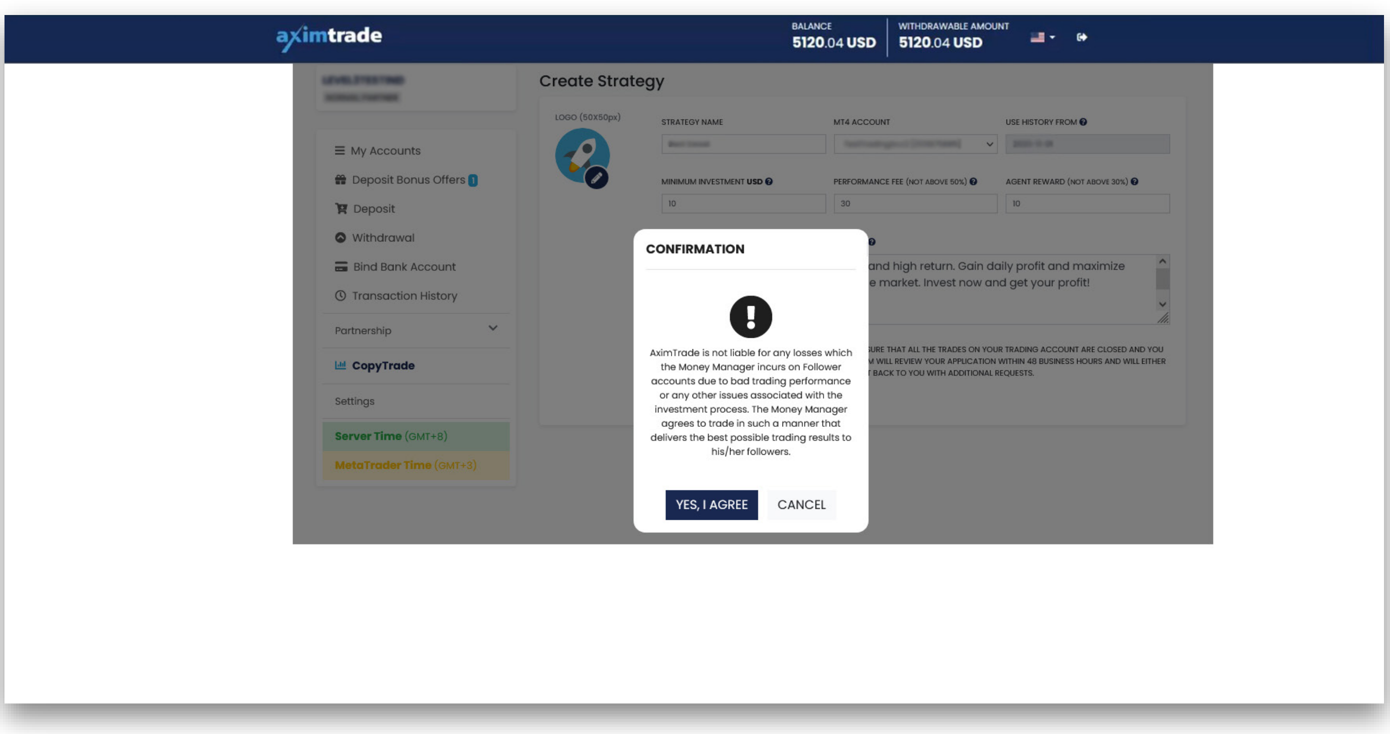
Step 4

Once all the parameters are set and all filled up, you should press the “Create Strategy” button, which immediately brings the confirmation message.



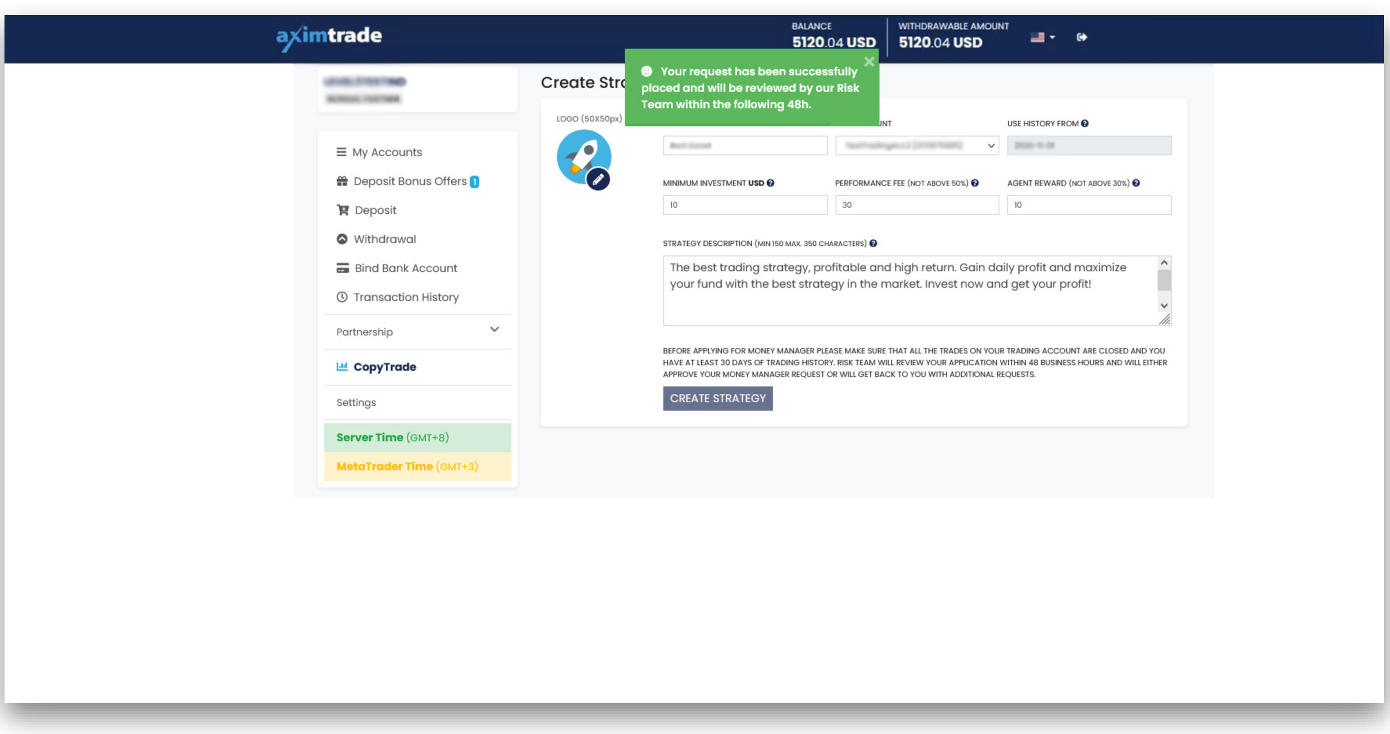
This is the notification that “Aximtrade is not liable for any losses which the Money Manager incurs on Follower accounts due to the bad trading performance or any other issues associated with the investment process.
The Money Manager agrees to trade in such a manner that delivers the best possible trading results to his/her followers.

Note - by pressing the “Yes, I agree” button, Money Manager agrees to trade in such a manner to deliver Followers the best possible trading results.



Step 5

Once the Money Manager trading strategy was created, there is a confirmation green box that will pop-up in the upper part of the screen. The request has been successfully submitted, however, it needs to be reviewed and verified by the Risk team of the Company within the following 48 hours, to be found and added in the List of Money Managers.



Step 6

Once you become a Money Manager, (your strategy and history were reviewed and approved by the risk team of the Company), then the new section “Money Managers” appears in the left-side general menu of your Member Area.

The Money Manager tab contains information about active strategies and the option to add new strategies.
